Dear Dennis:

As a Permittee under the Los Angeles County Municipal Storm Water Permit, the City of El Segundo, in coordination with the County of Los Angeles and other Permittees, is required to submit an Annual Program Report to the California Regional Water Quality Control Board each year. In addition, the report must include a certification form that may only be signed by an elected official, a Principal Executive Officer, or a duly authorized representative delegated the authority in writing by the City Manager or by Resolution. The City of El Segundo would like to delegate this signatory authority to our Director of Public Works. Thank you for your time in this matter and please contact me at (310) 524-2301 if you should have any further questions regarding this letter.

Sincerely,

Mary Strenn
City Manager
